4. MANUFACTURER'S RESPONSIBILITIES

- 4.1 The Manufacturer will calculate and provide the Department a CMS Rebate for the Covered Product(s), which includes the CMS Basic Rebate and CMS CPI Rebate, as appropriate. The CMS Rebate represents the discount obtained by multiplying the Units of the Covered Product(s) reimbursed by the Department in the preceding quarter by the per unit rebate amount provided to

the Department by CMS. CMS will calculate the CMS Rebate amount in accordance with the Manufacturer's CMS Agreement. The Manufacturer's obligation for CMS Rebates will continue for the duration of the Manufacturer's CMS Agreement.

- 4.2 In addition to the CMS Rebates described in Section 4.1 of this Agreement the Manufacturer will remit to the Department a State Supplemental Rebate for Covered Product(s) included on the Preferred Drug List. _____ shall pay to the Department the State Supplemental Rebate amount in accordance with the formula set forth in Attachment B. At no time shall the National Rebate amount plus the State Supplemental Rebate amount for any given product fall under 25.1% of the AMP of that Covered Product.
- 4.3 The quarters to be used for calculating the Rebates in Sections 4.1 and 4.2 of this Agreement will be those ending on March 31, June 30, September 30 and December 31 of each calendar year during the term of this Agreement.
- 4.4 Each participating Manufacturer will be required to submit the supplemental rebate payment within thirty (30) days of the Manufacturer's receipt of the Rebate Summary from the Department. The Department shall submit the State Supplemental Rebate invoice to the Manufacturer within ninety (90) days after the fiscal quarter in which the Product was paid for by the Department. The Manufacturer shall have no obligation for claims that are not submitted as part of the Rebate Summary from the Department.
- 4.5 The Manufacturer will pay the State Supplemental Rebate, including any applicable interest in accordance with Section 1903(d)(5) of the Act. Interest on the Rebates payable under Section 4.1 and 4.2 of this Agreement begins accruing 38 calendar days from receipt of the Department's invoice and supporting Rebate Summary sent to the Manufacturer and interest will continue to accrue until the postmark date of the Manufacturer's payment. For Rebates invoiced for first Contract Quarter _____ (YEAR) or thereafter, if the date of mailing of the Rebate payable under Section 4.2 of this Agreement is 69 days or more from the date of mailing of the invoice, the interest rate will be calculated as required under federal guidelines. For Rebates invoiced for first Contract Quarter _____ (YEAR) and thereafter, if the Department has not received the Rebates payable under Section 4.1 or 4.2 of this Agreement, including interest, within 180 days of the postmark date of the Department's invoice and supporting Rebate Summary sent to the Manufacturer, this Agreement will be deemed to be in default and will be terminated in

accordance with Section 8.2 of this Agreement. Interest will not accrue on any amount withheld pursuant to Section 6.2.

- 4.6 The Manufacturer may deduct any overpayment from subsequent State Supplemental Rebates payable under this Agreement. In the event that no subsequent State Supplemental Rebates are payable, the Department will refund any such overpayment to the Manufacturer within thirty (30) days after an acknowledgement or final determination that the overpayment has been made. The Manufacturer will remit any underpayment to the Department within thirty (30) days after an acknowledgement or final determination that an underpayment has been made.
- 4.7 Nothing in this Agreement shall be construed to prohibit the Manufacturer from discontinuing production, marketing or distribution of any Covered Product or from transferring or licensing any Covered Product to a third party. If the Manufacturer elects to discontinue production, marketing or distribution of any Covered Product or to transfer or license any Covered Product to a third party, the Manufacturer shall make every reasonable effort to notify the Department prior to such action so that the Department can negotiate with such third party for State Supplemental Rebates on such Covered Product or remove such Covered Product from the Preferred Drug List. Upon notification of the Manufacturer’s election to discontinue production, marketing or distribution of any Covered Product or to transfer or license any Covered Product to a third party, the Covered Product shall be removed from the definition of “Covered Products.”
- 4.8 Unless notified otherwise, the Manufacturer will send Rebate payments by certified mail, return receipt requested, to the following address.

5. DEPARTMENT RESPONSIBILITIES

- 5.1 The Department will remove prior authorization from the Manufacturer’s Covered Product on the Iowa Medicaid Preferred Drug List. The Manufacturer’s Covered Products will not be

discouraged or disadvantaged in any way relative to any other brand name pharmaceutical product on Iowa's Medicaid Preferred Drug List. The Department will comply with all provisions of Section 1927(d). Drugs of manufacturers who do not participate in the supplemental rebate program will be made available to Medicaid beneficiaries through prior authorization.

- 5.2 The Department will provide State Utilization Data to the Manufacturer on a quarterly basis. This data will be based on paid claims data (data used to reimburse pharmacy providers) for the Iowa Medicaid Program.
- 5.3 The Department will maintain the data systems and audits as are necessary to ensure the accuracy of the data used to calculate the State Supplemental Rebates. In the event material discrepancies are discovered, the Department will promptly justify its data or make an appropriate adjustment, which may include a credit as to the amount of the Rebates, or a refund to the Manufacturer as the parties may agree.
- 5.4 The Department shall maintain electronic claims records for the most recent four Contract Quarters that will permit the Manufacturers to verify through an audit process the Rebate Summaries provided by the Department. The Department will also cooperate with the Manufacturer in pharmacy audit(s) should such audit(s) be required to resolve disputes regarding Utilization Information.
- 5.5 Upon implementation of this Agreement, and from time to time thereafter, the Department and the Manufacturer will meet to discuss any data or data system improvements which are necessary or desirable to ensure that the data and any information provided by the Department to the Manufacturer are adequate for the purposes of this Agreement.
- 5.6 The Department warrants that it received CMS approval to receive State Supplemental Rebates as provided under this Agreement and that the Manufacturer's participation in the Iowa Supplemental Drug Rebate Program will not affect the Manufacturer's Best Price and the AMP.

6. DISPUTE RESOLUTION

- 6.1 Utilization disputes will be handled in the same manner as the Federal Drug Rebate program.

- 6.2 In the event that in any quarter a discrepancy in calculation of the State Supplemental Rebate is noted by the Manufacturer, which the Manufacturer and the Department in good faith are unable to resolve, the Manufacturer will provide written notice of the discrepancy to the Department.
- 6.3 If the Manufacturer in good faith believes the Department's calculation of the State Supplemental Rebate is erroneous, the Manufacturer shall pay the Department that portion of the rebate claimed which is not disputed by the required date in Section 4.5. The balance in dispute, if any, will be paid or credited by the Manufacturer or the Department by the due date of the next quarterly payment after resolution of the dispute.
- 6.4 The Department and the Manufacturer will use their best efforts to resolve the discrepancy within sixty (60) days of receipt of written notification. Either party may, at any time and at its own expense, hire a mutually agreed upon independent auditor to verify the accuracy of the Department's calculation of the State Supplemental Rebate or the Manufacturer's calculations and payment figures. Should an audit of pharmacy records be required to resolve disputes, the Department will cooperate with the Manufacturer and provide information by zip code of pharmacy provider upon the Manufacturer's request.
- 6.5 In the event that the Department and the Manufacturer are not able to resolve a discrepancy within sixty (60) days, the Manufacturer may appeal in writing to:

Iowa Department of Human Services
Administrative Appeals
Appeals Section, 5th Fl
1305 E Walnut St
Des Moines IA 50319-0114

- 6.6 If all attempts to resolve any dispute fail, the parties will resolve their dispute in accordance with the rules for appeals to the Department outlined in 441 Iowa Administrative Code chapter 7.

7. CONFIDENTIALITY PROVISIONS

- 7.1 Pursuant to 42 USC 1396r-8(b)(3)(D), the parties agree that information disclosed by the Manufacturer under this Agreement in a form which discloses the identity of a specific Manufacturer or the prices charged for drugs by the Manufacturer is confidential and shall not be disclosed except as necessary to carry out the Agreement or as may be required by judicial order. Therefore, the Department agrees that confidential information provided to the Department under this Agreement, including the Agreement itself is exempted from disclosure by statute. To the

extent that the Department utilizes the services of a third-party to develop and maintain the PDL or to administer any part of this Agreement, all provisions of this section shall apply to the third-party, and the Department shall have the third-party sign a written agreement ensuring the third-party will comply with all aspects of this section. In the event that the Department is required by law to disclose any provision of this Agreement or pricing information to any person other than as provided above, the Department shall provide advance written notice to the Manufacturer sufficiently in advance of the proposed disclosure to allow the Manufacturer to seek a protective order or other relief.

7.2 The parties agree that information revealing the identity of Medicaid recipients is confidential and shall not be disclosed except as necessary to carry out this Agreement or as may be required by judicial order. The foregoing shall not prevent the disclosure by the Manufacturer to the Department of information regarding the National Rebates for Covered Products.

7.3 The Manufacturer will hold the Utilization Information confidential. If the Manufacturer audits this information or receives further information on such data, that information shall also be held confidential. The Manufacturer shall have the right to disclose Utilization Information to auditors who agree to keep such information confidential.

7.4 The provisions of this section and any confidentiality agreement executed pursuant to this section shall survive termination or expiration of this Agreement.

8. NONRENEWAL OR TERMINATION

8.1 This Agreement shall be effective on _____ (MONTH, DAY, YEAR) and shall continue in force until _____ (MONTH, DAY, YEAR).

8.2 This Agreement may be terminated by either party by giving written notice to the other party at least sixty (60) days prior to the effective date of the termination. Up until the effective date of termination, the Manufacturer's Covered Product(s) will not be discouraged or disadvantaged in any way relative to any other brand name pharmaceutical product on Iowa's Medicaid Preferred Drug List. After the effective date of the termination, the Manufacturer's Covered Product(s) will be available to the Iowa Medicaid Program beneficiaries only through prior authorization, and the Manufacturer's obligation to pay State Supplemental Rebates will terminate.

Termination shall become effective the 60th day after a party gives written notice requesting termination.

8.3 This Agreement may be immediately terminated upon the occurrence of any one of the following events:

- (a) A determination by any court or any authorized governmental authority that the arrangements and transactions under this Agreement or any similar agreement constitute a violation of any law or regulation including without limitation 42 USC 1320a-7b(b) prohibiting illegal remunerations. (For the purposes of this Section, 8.3, “authorized governmental authority” shall mean any officer or agency of the Federal Government (e.g., Office of Inspector General, Department of Justice, Department of Health and Human Services) or the State of Iowa (e.g., Iowa Attorney General) having substantive jurisdiction over the subject matter of this Agreement; any state or federal program with which this Agreement is connected; any actions which must be taken by either party hereto in order to perform its obligations under this Agreement or any laws or regulations affecting the legality of this Agreement); or
- (b) A determination by CMS that the State Supplemental Rebates paid or payable by the Manufacturer under this Agreement will affect or be included in Best Price or AMP calculations for determining rebates paid pursuant to 42 USC 1396r-8.

8.4 Any renewal or termination will not affect rebates due or owing on or before the effective date of termination.

9. GENERAL PROVISIONS

9.1 This Agreement will be governed and construed in accordance with Title 42 USC Section 1396r-8; Title 42 of the Code of Federal Regulations; and all other applicable federal law and regulations.

- 9.3 The Manufacturer agrees to be bound by the laws of the State of Iowa and agrees that this Agreement shall be construed and interpreted in accordance with Iowa law.
- 9.4 Nothing herein shall be construed or interpreted as limiting or otherwise affecting the Department's or the Manufacturer's ability to pursue its rights arising out of the terms and conditions of the Agreement in the event that a dispute between the parties is not otherwise resolved.
- 9.5 The Manufacturer and the agents and employees of the Manufacturer in the performance of this Agreement, will act in an independent capacity and not as officers, employees or agents of the State of Iowa.
- 9.6 In the event of a transfer in ownership of the Manufacturer, the Agreement is automatically assigned to the new owner subject to the conditions of this Agreement.
- 9.7 Nothing in this Agreement will be construed so as to require the commission of any act contrary to law. If any provision of this Agreement is found to be invalid or illegal by a court of law, or inconsistent with federal requirements, this Agreement will be construed in all respects as if any invalid, unenforceable, or inconsistent provision were eliminated, and without any effect on any other provision. The parties agree to negotiate replacement provisions, to afford the parties as much of the benefit of their original bargain as is possible.
- 9.8 The Department and the Manufacturer declare that this Agreement, including attachments, contains a total integration of all rights and obligations of both parties. There are no extrinsic

conditions, collateral agreements or undertakings of any kind. In regarding this Agreement as the full and final expression of their contract, it is the express intention of both parties that any and all prior or contemporaneous agreements, promises, negotiations or representations, either oral or written, relating to the subject matter and period of time governed by this Agreement which are not expressly set forth herein are to have no force, effect, or legal consequences of any kind.

- 9.9 This Agreement will not be altered except by an amendment in writing signed by both parties and approved by the appropriate State control agencies. No individual is authorized to alter or vary the terms or make any representation or inducement relative to it, unless the alteration appears by way of a written amendment, signed by duly appointed representatives of the State and the Manufacturer and approved by the appropriate State control agencies. CMS will authorize any amendments or alternatives to the model agreement.
- 9.10 Neither party contemplates any circumstances under which indemnification of the other party would arise. Nevertheless, should such circumstances arise, the Manufacturer agrees to indemnify, defend and hold harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by the Manufacturer in the performance of this Agreement.
- 9.11 This Agreement is not assignable by _____ (MANUFACTURER) either in whole or in part without the written consent of the Department, which will not unreasonably be withheld. This Agreement is not assignable by the Department either in whole or in part without the written consent of _____ (MANUFACTURER), which will not unreasonably be withheld.
- 9.12 This Agreement shall be effective from _____ (MONTH, DAY, YEAR) through _____ (MONTH, DAY, YEAR).
- 9.13 Inasmuch as the State Supplemental Rebate required by this Agreement is for Iowa Medicaid Program beneficiaries, it is agreed that the State Supplemental Rebate does not establish a new Best Price or AMP for purposes of the participating Manufacturer's CMS Agreement. Performance under this Agreement shall be contingent on the non-occurrence of the event described in Section 8.3(b) of this Agreement, and on CMS's valid approval of the Iowa Supplemental Rebate Program of which this Agreement forms a part.

- 9.14 In the event that the Department determines, as a result of a therapeutic category review, that a Covered Product(s) of the Manufacturer included on the Iowa Medicaid Preferred Drug List should require prior authorization unless for appropriateness of therapy review using best practice standards, the parties agree that the terms of Section 8.2 shall apply.
- 9.15 It is the Department’s belief that the business arrangement contemplated by this Agreement is not subject to the provisions of 42 USC 1320a-7b(b) prohibiting illegal remuneration. Should the above provisions apply, it is the Department’s belief that the business arrangement contemplated by this Agreement meets the discount exception found in 42 USC 1320a-7b(b)(3)(A), which excludes from prohibited activities the practice of discounting or other reductions in price obtained by a provider of services or other entity under a Federal health care program, if the reduction in price is properly disclosed and appropriately reflected in the costs claimed or charges made by the provider or entity under a Federal health care program. The Department currently provides CMS full and unfettered access to all information held by the Department regarding the implementation of the Iowa Medicaid Program, and shall continue to do so throughout the implementation of the State Supplemental Rebate and Iowa Medicaid Preferred Drug List.
- 9.16 Noncompliance with any obligations hereunder due to force majeure, such as acts of God, laws or regulations of any government, war, terrorism, civil commotion, destruction of production facilities and materials, fire, earthquake, storm, labor disturbances, shortage of materials, failure of public utilities or common carriers, and any other causes beyond the reasonable control of the parties, shall not constitute breach of contract.

As evidence of their Agreement to the foregoing terms and conditions, the parties have signed below.
