Committee Members Absent: Mary Winegardner, PA-C

Meeting called to order at 9:35 a.m. by Dr. Flaum

- I. Andi Dykstra opened the meeting with an introduction of DHS and IME staff.
- II. Dr. Flaum, acting chair, and other committee members introduced themselves.
- III. Committee members received Clinical Reference books for review. IME Pharmacy Services staff will mail the books to each committee member.
- IV. Dr. Clifford presented a PowerPoint presentation on the "Iowa Medicaid Preferred Drug List" outlining definition of PDL and focus over next two days. Key points included:
 - Overview of today's, next month's, and first year's tasks at hand
 - How to categorize drugs
 - Initial drug selections
 - How to test choices
 - PDL engineering
 - Three keys
 - PDL vs PA
 - PA criteria
- V. A closed executive session was conducted amongst the committee members with all in favor.
- VI. Podium was opened for public comment for each enrolled person to express his or her views in a five (5) minute time frame with no questions to the committee permitted. Speakers included:
