

## Nonlegend Drugs

*Payment will be made for the following nonlegend products when prescribed by a practitioner legally qualified to prescribe the item. Payment for the following listed drugs will be made in the same manner as prescription drugs, except the maximum allowable cost (MAC) is established at the median of the average wholesale price of the chemically equivalent products available. Current maximum allowable costs are listed below. No exceptions for higher reimbursement will be approved.*

*Also payable are: Nonprescription multiple vitamin and mineral products specifically formulated and recommended for use as a dietary supplement during pregnancy and lactation and with prior authorization, nonprescription multiple vitamins and minerals for conditions specified in IAC 78.1(2)"a"(3).*

*Oral solid forms of these items shall be prescribed and dispensed in a minimum quantity of 100 units per prescription, except when dispensed via a unit-dose system. When used for maintenance therapy, all of these items may be prescribed and dispensed in 90-day quantities.*

| <b>DRUG or GM</b>  | <b>MAC per Tablet, ML</b> |
|--|---------------------------|
| Acetaminophen Tablets, 325 mg  | .0156                     |
