

Iowa Medicaid Enterprise
Revisions to the Iowa Medicaid Preferred Drug List (PDL)

Notification Date: March 28

Effective April 2, 2011 the following generic products will be **preferred with conditions** on the Iowa Medicaid Preferred Drug List (PDL):

Pantoprazole 20mg tablet
Pantoprazole 40mg tablet

Effective April 25, 2011, the following brand products will be **non-preferred with conditions** on the Iowa Medicaid Preferred Drug List (PDL):

Protonix 20mg tablet
Protonix 40mg tablet

Please be aware, effective **April 4, 2011**, National Drug Code (NDC) numbers on existing brand Protonix[®] prior authorizations for Iowa Medicaid members will be changed by the IME pharmacy staff to reflect the preferred pantoprazole product.
