

Iowa Medicaid Enterprise Revisions to the Iowa Medicaid Preferred Drug List (PDL)

Notification Date: March 23, 2020

Due to the intermittent unavailability of the preferred albuterol inhalers, the following PDL changes will be implemented:

Effective March 27, 2020 the following products will be **preferred** on the Iowa Medicaid Preferred Drug List (PDL) with a quantity limit of 3 inhalers per 30 days:

- Albuterol HFA
- Levalbuterol tartrate
- ProAir Digihaler
- Ventolin HFA
- Xopenex HFA

Please contact the appropriate Helpdesk (Fee for Service or MCO) if Non-Preferred product is needed prior to March 27, 2020.

Please contact the POS Helpdesk at phone (515) 256-4608 (local) or (877) 463-7671 with questions regarding coverage of these products by Iowa Medicaid.
