

Iowa Medicaid Enterprise Revisions to the Iowa Medicaid Preferred Drug List (PDL)

Notification Date: April 2, 2020

Due to the removal of all ranitidine drugs from the market, the following PDL changes will be implemented:

Effective April 10, 2020 the following products will be **preferred** on the Iowa Medicaid Preferred Drug List (PDL):

- Carafate Oral Suspension
- Nexium Oral Packets
- Nizatidine Oral Solution

Please contact the appropriate Helpdesk (Fee for Service or MCO) if Non-Preferred product is needed prior to April 10, 2020.

Please contact the POS Helpdesk at phone (515) 256-4608 (local) or (877) 463-7671 with questions regarding coverage of these products by Iowa Medicaid.
