

To Whom it May Concern:

This e-mail is to support the addition of Viibryd to your formulary. It is a novel drug and is the only drug in its class. Aside from its extraordinary benefits for depression, it has been a God-send to patients with Chronic pain disorders and to patients with Irritable bowel syndromes. For the sake of our patients, please place this drug on your formulary without a prior-authorization.

Thank you for your consideration.
