Prior authorization is not required for preferred antifungal therapy for a cumulative 90 days of therapy per 12-month period per patient. Prior authorization is required for all non-preferred antifungal therapy as indicated on the Iowa Medicaid Preferred Drug List beginning the first day of therapy. Payment for a non-preferred antifungal will be authorized only for cases in which there is documentation of previous trial(s) and therapy failure with a preferred agent(s). Payment for any antifungal therapy beyond this limit will be authorized in cases where the patient has a diagnosis of an immunocompromised condition or a systemic fungal infection. This prior authorization requirement does not apply to nystatin.

IMPORTANT NOTE: *In evaluating requests for prior authorization the consultant will consider the treatment from the standpoint of medical necessity only. If approval of this request is granted, this does not indicate that the member continues to be eligible for Medicaid. It is the responsibility of the provider who initiates the request for prior authorization to establish by inspection of the member's Medicaid eligibility card and, if necessary by contact with the county Department of Human Services, that the member continues to be eligible for Medicaid.*
